Holman Middle School *	740		96	97	89	99	59	7	49	41	n/a	n/a			n/a

*Holman Middle School, which opened in 2010, was not ranked because as a new school it could not supply some of the numbers required by our statistical model.
**Schools designated Title I have a big enough percentage of low-income children to qualify for federal funding aimed at ensuring that all students meet academic standards.
